- **Teaching Learning Process:**

### **Teaching-learning and Evaluation**

Teaching Learning Process is a very important parameter in OBE. The teachers & instructors play a vital role in this process. The admission process is done through KCET & COMEDK. 40 % of seats are filled through KCET, 35% through COMEDK & 25% through management quota. The minimum qualifying marks for admission to college is 50% in PUC. During admission processes, members of various admission committees & department interact with prospective students and their parents regarding course of study. Seminars are organized by institute to brief the aspirant about different courses, their objectives, future prospectus. Bridge courses are arranged to cater the need of heterogeneous group of students. An orientation programme is designed to make the students aware of corporate expectations. Faculty mentors are allotted to students who interact with students regularly. The course curriculum is divided into units or modules to be covered during the duration of semester. Teaching plan is given well in advance to enable the students to be mentally prepared for the topics to be taught. Assignments are given to be submitted by students within stipulated period. Department enforces group activity, collaborative learning, project-based learning.

Our entire faculty uses a number of E-learning websites, open source software, books, and journals relevant to their disciplines. College has rich collections of books, national and international journals, magazines, NPTEL courses, DVDs, CDs in different subjects. The evaluation methods and the schedules are communicated to the students and faculty through hand book.

College conducts 3 internal tests, 1 assignment and quiz. 50 % weightage is given to Internals test & 50 % weightage to SEE. Faculty follows teaching plans, while delivering lectures. Departmental meetings are held periodically to assess the progress. The college monitors and ensures the achievement of the intended learning outcomes through the recommendation of the programme chair-person from time to time. The graduate attributes as specified by the AICTE / NBA are followed. Institution focuses on enhancing attributes of graduating students, co-curricular, curricular, extra-curricular & skill development program with activity-based learning.
