(An Autonomous Institute Affiliated to VTU, Belagavi)

Approved by AICTE & UGC; ISO 9001:2008 Certified) Accredited by National Assessment & Accreditation Council (NAAC) with 'A' grade

Shavige Malleshwara Hills, Kumaraswamy Layout, Bengaluru-560078

First year BE Student Induction Program Report for 2024-25

The first year student induction program was scheduled from 17th September 2024 to 28th September for 11 days in Phase 1 and 10 days in Phase 2 from 19th March to 29th March 2025 as per the guidelines of AICTE/UGC/VTU. The first year students were divided into two groups: Physics (Group 1) with 9 branches namely CSE, IS, CSD, AI & ML, CS-IOT, CS-Cys and BT with CSE stream.

Chemistry (Group 2) with 11 branches namely ME, AE, AU, CV, CH, R & AI, EEE, EC, ET, EI, MD with Civil, Mechanical and Electrical Stream. A schedule was prepared and this schedule giving the details of the daily activities was circulated to the students in prior.

Day 1, 17/09/2024: (for both clusters)

As the students are new to the department, the Induction Program started with a Student Registration for the respective courses in their department, where all the necessary details like full name, contact details of the student, parent details, guardian details, permanent address & present address of the students were collected and registered into the department database. All the department HODs spoke to the students about the facilities provided by the department and also asked them to visit the department library.

Day 2, 18/09/2024: (For both clusters)

1. Talk by Chief Librarian, DSI

Dr. Johnson C. David, Chief Librarian, spoke to the parents and students about the resources that support students in their academic studies and research. He outlined the expectations and obligations of students while in the library and detailed the wide range of amenities offered, such as books and e-book search techniques.

2. Principal's Address

The Principal, Dr. B G Prasad delivered an inspiring and motivational speech to welcome the first year engineering students. The address marked the beginning of the academic year and set the tone for the student's journey through engineering education. The principal's speech was a blend of encouragement, guidance and wisdom, aimed at helping the new batch of student's transition smoothly into the rigorous yet rewarding world of engineering. He added that the engineering path is demanding and the principal urged students to face challenges head-on. Principal stressed that making mistakes is a part of the learning process and encouraged students to be curious, ask questions and never shy away from exploring new ideas. The speech also focused on the support system available to students, including faculty guidance, academic resources and extracurricular activities (joining various clubs). Principal reassured students and parents that the institution is dedicated to providing a conducive environment for learning and personal development.

3. Vice Principal's Address

The Vice Principal and HOD CSD, Dr Suma V delivered a comprehensive and encouraging address to the first-year engineering students. The speech aimed to welcome the new batch of students, guide them for the journey ahead and emphasize the importance of academic excellence, personal growth and community involvement during their time at the institution. The speech sought to inspire students to embrace challenges, utilize available resources effectively and cultivate a mindset geared toward innovation and collaboration. The vice principal highlighted that they wish to see students in one of the systems like placement, entrepreneurship, higher education, UPSC and other competitive exams. They emphasized that students should not hesitate to seek help and utilize these resources to enhance their learning experience.

4. Dean's Address

Dr Shobha K R, Dean and HOD (ECE) delivered an enlightening address to the first year engineering students. The speech aimed to introduce the students to the importance of research in engineering and inspire them to engage in innovative projects from the very beginning of their academic journey. The dean emphasized the role of research in shaping their careers, contributing to technological advancements, and solving real-world problems.

Day 4, 20/09/2024: (For Both Clusters)

The formal inauguration for the first-year Bachelor of Engineering (BE) students of the academic session 2024-25 took place on September 20th at the Dr. Premachandra Sagar Auditorium, DSCE. The event saw a remarkable turnout, with students, parents, guardians, faculty and distinguished guests, including Chairman Dr. D. Hemachandra Sagar, Secretary Shri Galiswamy, Joint Secretary Mr. Nishan H Sagar, Principal Dr. B.G. Prasad. The ceremony commenced with the Nada Geethe, followed by a vibrant dance performance by Team Natyabhinaya Sagari from the Centre for Performing Arts (CPA), DSCE.

A video presentation showcased the college's achievements and opportunities for new students. The invocation song was performed by Ms. Nimisha and her team from the CSE department. Principal Dr. B. G. Prasad welcomed the dignitaries and students, emphasizing the institution's commitment to quality education. This was followed by the traditional lighting of the lamp, symbolizing the dawn of knowledge.

Dr. Suma V, Vice Principal and Head of the CSD Department, provided an overview of DSCE, detailing the various courses, faculty achievements, publications, patents, funding and student activities.

Day 10, 27/09/2024: (for both Clusters)

On September 27, 2024, Dayananda Sagar College of Engineering hosted the 10th day of its induction program for first-year students, bringing together 1,500 students—756 from Cluster 1 and 744 from Cluster 2—who represented various engineering disciplines. The program was designed to ensure a smooth transition for students into their academic and campus life.

During the departmental orientation sessions, Heads of Departments (HoDs) and Faculties addressed the students, introducing them to the academic structure, curriculum, and the wide array of courses available. They highlighted key events and opportunities for personal and professional development that students can expect during their time at the college. The importance of adhering to discipline, maintaining academic integrity, and upholding the values of the institution were also emphasized as vital elements for success in their academic journey.

Day 11, 29/09/2024 : (For both clusters)

Talent Day was conducted for students of both clusters to showcase their talent in literally, dance and music. The students were judged on their performances and certificates were issued for the best performers.
